

El Camino Technical Advisory Committee (TAC) Meeting #1

February 25, 2002

3:30 to 5:00 pm

Council Conference Room, City Hall

250 Hamilton Avenue, Palo Alto

AGENDA

1. Welcome, Project Background and Purpose

Virginia Warheit, Planning Division, Project Leader

2. Description of Project Scope and Goals of TAC Meetings

Phil Erickson, Principal, Community Design + Architecture

Jerry Walters, Principal, Fehr and Peers Associates

3. Status of Data Gathering Process

- ❖ Status of Base Data Gathering (what we have and what we still need)
- ❖ Overview of Information Meetings to Date (VTA, Stanford, and Palo Alto Trees)

4. Feedback from Members of TAC with regard to Project and Process

- ❖ Are there past experiences, issues, and concerns among TAC Members regarding El Camino Real that the consultants should be aware of?
- ❖ How can consultants and TAC Members best achieve efficient communication? (Designated contact persons?)

5. Future TAC Meetings and Workshop on March 26th
